

COLONY CARE VOLUNTEERS-Town Cats Inc.

COLONY CAREGIVERS improve the lives of unowned cats in our community by trapping for spay/neuter and vaccination, feeding and providing cold winter shelters. Be a caregiver to the Town Cats feral and stray cat colonies by...

- Delivering food and water to our colonies.
- Monitoring the health and well-being of the cats in the colonies and reporting any sick, injured, pregnant or new cats to the TNR coordinator.
- Assisting with winter shelter preparation.

TIME COMMITMENT: 1-2 hours per day. We also need substitutes for when regular care giver is not available.

REQUIREMENT: You will need your own transportation to and from the colony.

If you are interested in volunteering with colony care, you can fill out an online volunteer interest form by visiting our website at <http://towncats.net> .

For more information, please contact our Volunteer Coordinator, Monique, at (610) 657-9060 or by email at niqueohr@gmail.com. TRAINING IS PROVIDED.
