

CRAFTING VOLUNTEERS-Town Cats Inc.

CRAFTERS create items to be sold out our events, or used by our fosters. All types of crafts are appreciated. If needed, we do have crocheting, knitting, sewing, and other craft patterns and ideas we can share with you.

TIME COMMITMENT: Completely up to you. This is something that is done from your home, at your convenience. Crafters supply their own materials.

If you are interested in volunteering by crafting, you can fill out an online volunteer interest form by visiting our website at <http://towncats.net> .

For more information, please contact our Volunteer Coordinator, Monique, at (610) 657-9060 or by email at niqueohr@gmail.com.
