

## **FUNDRAISING VOLUNTEERS-Town Cats Inc.**

**FUNDRAISING VOLUNTEERS** plan short-term and long-term events. We are always looking for fresh ideas. In addition, some fundraisers write grants to fund specific projects. Fundraising volunteers brain storm for new ideas, work together to plan the event and help with the fundraising events.

**TIME COMMITMENT:** Varies depending on event. We need help in all areas; you can choose what you would like to help with.

If you are interested in volunteering with our fundraising team, you can fill out an online volunteer interest form by visiting our website at <http://towncats.net> .
